SPACEWELL
A NEMETSCHEK COMPANY

MANAGER SOLUTIONS
FOR THE POST-PANDEMIC OFFICE

Immediate Support in the Crisis
How can managers **facilitate a safe return** to the office?

MAKE AGILE WORK SAFELY
Monitor social distancing and create crowdedness alerts

PRIVACY-AWARE CONTACT TRACING
Use reservations systems to monitor potential exposure, allowing employees to opt-in

REASSURE EMPLOYEES
Communicate key information to employees and show you are monitoring wellness

RETHINKING SPACE ALLOCATION
Understand how employees are changing use of social spaces
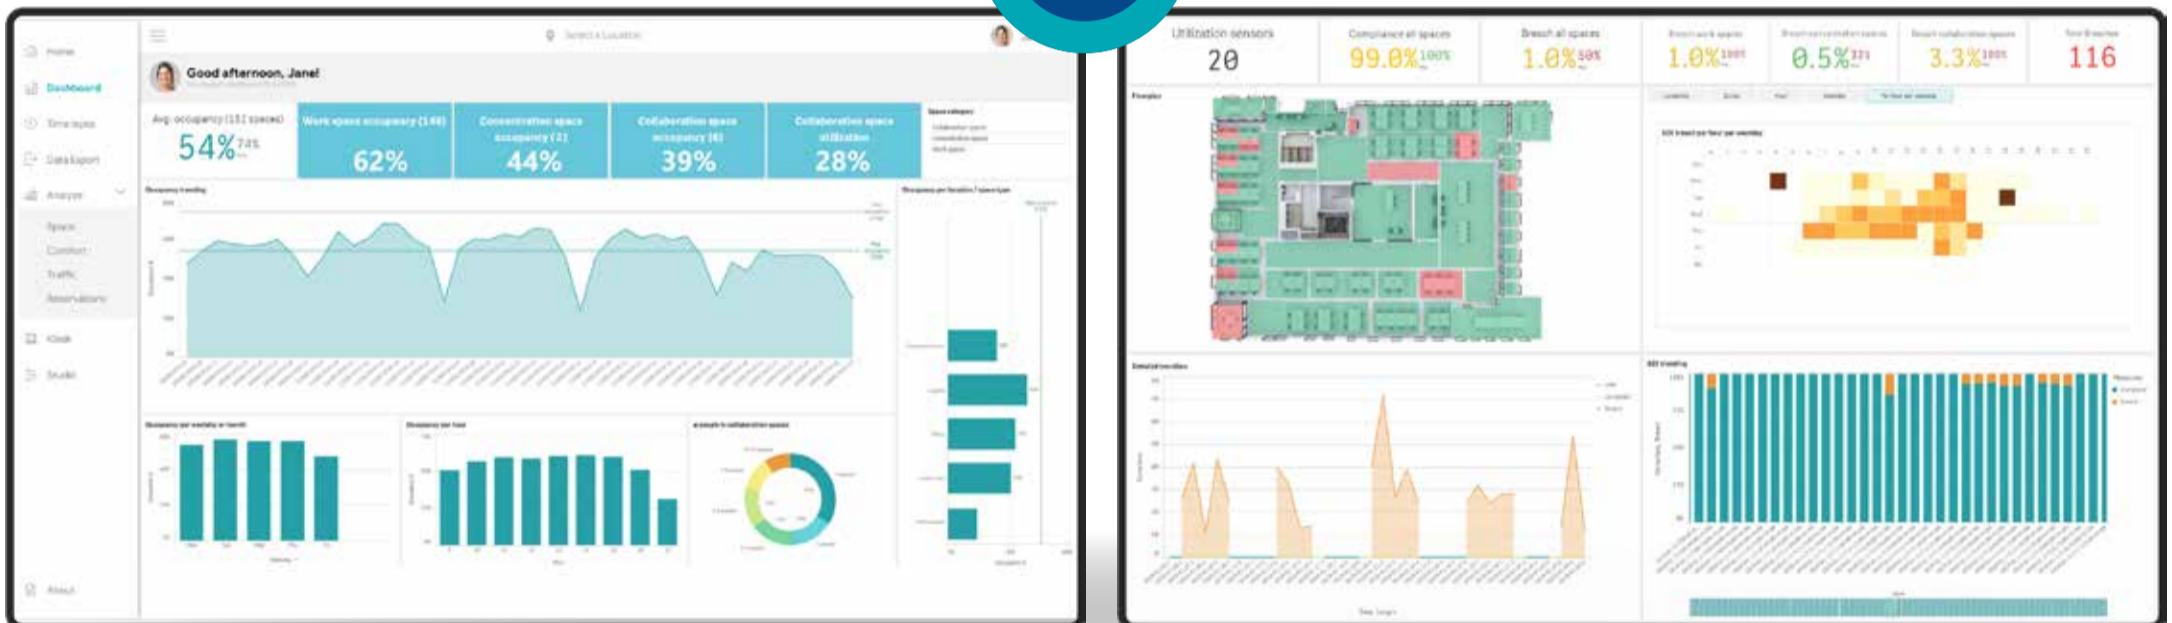

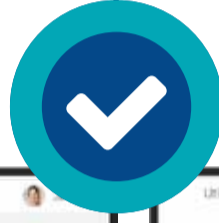

Future-Proofing the Office
### How can managers position their organizations for success in **an evolving office landscape**?

ADAPT TO CHANGED SPACE NEEDS
Leverage sensor data to
- Understand how much WFH is changing occupancy
- Inform lease renegotiations or new construction
- Drive office redesigns or downsizing

BIG DATA WITH EASY INSIGHT
Get a handle over vast quantities of data with user-friendly dashboards built around your KPIs

LET US HELP.

Spacewell technologies are designed to support all user types, with solutions tailor-made for managers. Our software can give you an insightful, rapid overview of your KPIs and help identify opportunities for performance improvements or cost savings.
